

OPERA Roman Shade (Surcharge)

OPERA Roman Shade

Product Features

Innovative, Patent Pending Shade offering the ultimate in light control combining two shades in one sleek operating system.

- Over 100 decorative fabrics to select from, ranging from textures, jacquards, silks and tone on tone to give the interior shade its own unique look.
- Uniform room darkening fabric to the exterior allows for consistent street-side appeal and conforms to condominium regulations.
- 8" flat valance adheres to the cassette to give a clean consistent look in the same fabric as the shade.
- Available in flat style roman only (hobble style not available).
- Sealed fabric wrapped bottom hem bar with coordinated ends caps.

Specifications

- **Minimum width 15"**.
- Maximum width is determined by width of fabric selected up to a maximum of 90" (fabric can not be railroaded).
- **Maximum height 108"**.
- Headrail requires 1 1/2" depth for inside mount.
- Wall, ceiling or side mount brackets available (specify at time of order).
- Cassettes only available white with fabric wrap for colour coordination and end caps on the cassette are available in five colours white, cream, silver, brown, black.

Pricing

- Select fabric from the respective flat roman shade price grids and add to surcharge grid below to determine price.
