Vane Closure:

- When the vanes of a SunSet are closed, they overlap each other blocking the view. However, the vanes do not contact each other along the full length of the shading. This is most visible toward the bottom of the shading.
- Vane closure for all fabrics is 5/8" for shadings under 60" in height and 7/8" for shadings over 60" in height.
- If you have Perfect SunSet and SunSet Shades in the same area you can order the PERFECT SUNSET CASSETTE for all the SunSet Shades (10% surcharge).
